Θέμα: Fahrenheit Scholarships with accomodation are waiting!

Dear Sir/Madam,

Fahrenheit Universities would like to kindly remind you about the recruitment for 12-months research stay at one of the Fahrenheit Universities, i.e. Gdansk University of Technology, University of Gdańsk and Medical University of Gdańsk.

We are looking for the best three International PhD students!

Our universities are located near the Baltic Sea in Gdańsk, which is perspective, forward-looking, economically developed city with a coastal climate.

The participants of Fahrenheit Scholarships in a one-year internship will receive a scholarship paid monthly (6500 PLN per months), free accommodation and the reimbursement of travel costs.

The scholarship programme will be best described by the current interns: **Anna**, a PhD student from the University of Crete, **Maria** from the University of Pernambuco in Brazil, and **Stabak**, a PhD student from the Tripura University in India.

SEE THE VIDEO!

We encourage young scientists who are:

- preparing a doctoral dissertation at your university,
- the authors or joint authors of a scientific publication and wish to pursue their scientific interests at one of Polish leading universities

to take advantage of the offer.

This is a unique opportunity not only to conduct interdisciplinary research as part of a PhD dissertation, but also to gain international experience and make new valuable contacts.

The deadline for submission of applications is September 15 this year. Details are attached and also available at [our website page](#)

In case of any questions or further information please contact the FarU Office at +48 511 946 646 or office@faru.edu.pl.

Best wishes,

Karolina Sienkiewicz
