Dear Esteemed Members of the EMUNI Network,

It is our great pleasure to extend a formal invitation to you for our upcoming high-level conference *“Bridging Continents: Higher Education as a Tool for EU–Southern Mediterranean Cooperation”*.

The event, **co-organized by Emuni University and the Euromed University of Fes**, and supported by the Union for the Mediterranean, will take place on **11 December 2025 at the European Parliament in Brussels**. It will explore how higher education can drive the implementation of the EU–Southern Mediterranean Pact, strengthen regional alliances, and promote a structured dialogue between the EU and the Southern Mediterranean. We are honoured that **Ms. Dubravka Šuica, European Commissioner for the Mediterranean**, has already confirmed her participation as keynote speaker.

Kindly confirm your participation by **31 October 2025** by replying to this email, and please complete your registration via the following [link](#). Should you require a visa, please let us know by **10 October 2025** so that we may assist you.

We look forward to your presence and valuable contribution.

With kind regards,
